

Travel Report – Judy Theunissen, Shiraz Ladies Circle

25 – 28 May 2017: LCSA AGM

Travelling ALONE is very new to me – I don't recommend it hie hie hie!!! I hit the road from Cape Town to George with Cher, Shania and a little bit of Pink to keep me company!

Never have I ever seen so many proposals on an agenda, but hey presto, we worked through them like experts! In the true spirit of friendship and service we contributed new ideas and rules to the National Constitution and Guidelines. Congrats on a well-run meeting Bronwenn and the board. A special mention to Lindi McDowell for teaching us how to "speak" finance!

The party bus was a huge highlight of the weekend and listening to Artsa VP Sean Trautmann rapping Ice Ice Baby was just brilliant!! Not to mention the VP swim on Sunday morning – proof on Facebook!

Returning the Stirrer spoon only to receive it again was not part of my plan for world peace! I will stir with pride! Coming home as the new LCSA Webmaster WAS party of my plan! Lots to learn about all things web related, but super excited to get started!

Garden Route Ladies Circle went out of their way to put on a good weekend at Far Hills Country Hotel - not even the renovations could dampen our spirits! Well done to Bets, Elaine and Michelle!

Yours in Circle
